

2009 – 2010 TEXAS-OKLAHOMA DISTRICT INTERCLUB CONTEST

PART I. PURPOSE OF INTERCLUB CONTEST

To perpetuate the exchange of ideas throughout the Kiwanis Family so we may better serve the children of the world and to provide an opportunity for fellowship among members of the Kiwanis family.

PART II: INTERCLUB DEFINITION

An Interclub meeting is a meeting staged by two or more Kiwanis clubs (including clubs in formation) or by a Kiwanis Club and any club belonging to the K Family (Division, District, International or World Wide, K-Kids, Builders Club, Key Club, Aktion Club or CKI Club) or by a Kiwanis Club visiting a “Kiwanis function.” **(Please specify the club/function you are claiming as an Interclub.)**

A Kiwanis function is defined as: Any Club approved service project, Division Council Meeting (DCM), Division Prayer Breakfast, Division Club Leadership Education (CLE) Meeting, District Board Meeting, Governor’s Official Division Visit, participation at K-Family event including Weekend of a Lifetime (WOAL) and Key Leader, Mid-winter conferences, K University or a Kiwanis Convention.

Attendance at a service project event, DCM, Division Prayer Breakfast, CLE, District Board Meeting, Governor’s Official Visit, participation at a K-Family event or K University program counts as one Interclub. Kiwanis conferences/conventions will count as two (2) Interclubs per event. Minimum member participation requirements for Interclubs apply to all Kiwanis functions for which Interclub credit is claimed.

A qualified interclub will consist of no less than **four (4)** members for Clubs with 31 members and higher, **three (3)** members for Clubs with 21 to 30 members, and **two (2)** members from Clubs with a membership up to 20. A qualified interclub may also be composed of a **minimum** of two Kiwanis members from the visiting club, plus a **minimum** of two members of a K-Kids Club, Builders Club, Key Club, Aktion Club or Circle K Club that the visiting club is **currently sponsoring**. Smaller Clubs may adjust the numbers according to Club size. The current seated Lieutenant Governor and the Governor count as ad hoc members to all Clubs and their presence may be counted by any Club in the Division.

PART III: CONTEST PERIOD

The 2009-2010 Texas-Oklahoma District Interclub Contest will officially begin October 1, 2009 and runs through June 30, 2010.

PART IV: SCORING OF INTERCLUB CONTEST

Clubs will be grouped into one of five categories based on club size for the contest. See table 1.

**TABLE 1
INTERCLUB CONTEST CATEGORIES**

<u>CATEGORY</u>	<u>CLUB MEMBERS</u>
I	1-30
II	31-45
III	46-70
IV	71-100
V	>100

This will ensure the contest’s fairness as clubs will only be competing against other same size clubs. Scoring for interclubs will be based on a sliding scale to encourage club visits each month. However, the more qualifying interclubs attended by a given club during one calendar month, the higher the overall monthly point total. See Table 2. Mileage points for the 2009-2010 Interclub Contest will accumulate per Interclub and will be awarded on June 30, 2010. Travel by more than one qualifying Interclub group to a single location in a single vehicle will only receive qualifying mileage for a single trip. Travel points will be awarded on total one way mileage for all Interclub trips during the contest period at a rate of 1 point for every 75 miles.
