

Texas Oklahoma District Life Member Status

Life member status in the Texas Oklahoma district provides a unique opportunity for recognizing Kiwanians who qualify for special recognition. Individuals who achieve life member Status are those that perpetuate the Objects and Objectives of Kiwanis International. A minimum length of membership in Kiwanis of three (3) years is required.

Once Life Membership in the Texas Oklahoma Foundation is granted then the Club is no longer required to pay Texas Oklahoma dues for that member. The financial obligations of the Life Member to their club and to Kiwanis International are not affected.

An application of Life Membership initiated by a club or an individual is subject to the approval of the Club board of directors and must be signed by the president or secretary of the club.

Only a limited number may achieve life membership status in an administrative year. The Board of Trustees of the Texas Oklahoma Foundation shall determine the total number to be issued each year.

A club may apply for Life Membership Status to honor its president or any other club member. A family or friends of a member may apply through a local Kiwanis Club. A division may apply to honor its Lt. Governor or a Pat Lt. Governor. It is recognized that there may be exceptional situations.

Each member granted Life Membership Status will receive a beautifully framed certificate. Each certificate will be individually number and a permanent record will be maintained in the district office. It is appropriate that this memento be presented in a proper Kiwanis setting. A member of the Texas Oklahoma Foundation will try to be available to make the presentation if desired. Please indicate on the application where you would like the presentation to be made (District meeting, Division meeting, home club,...) date, and if you would like someone from the Foundation to present it, or if you would like it mailed to someone.

Application must be made in the name of the individual not in the name of an office.

An application for Life Membership is on the reverse side. Please allow three weeks for processing.

The application form should be mailed to
